Convention Operations and Answers

General Rules

Our convention has a number of rules, policies, and regulations that help make the convention run smoothly and be as fun as possible for everyone. We encourage you to read our rules to understand what is expected to help make the best, most successful, and most fun weekend possible. In addition to these general conduct policies, we also have rules and guidelines for cosplay, press, exhibitors, and others. Violations of these rules and responsibilities can result in loss of privileges, up to and including ejection without refund, legal action, or involvement of the authorities.

Rule Number One: Do not do anything that could make the convention less fun for other attendees, the hotel, the staff, or for yourself. If it's dangerous, obnoxious, uncomfortable, or otherwise, do not do it. It is all of our responsibility to let everyone have a safe, respectful, and fun weekend.

If it is illegal outside of the convention, it is illegal here. Excessive or underage alcohol use, drug use, harassment, carrying firearms, and many other things are illegal, and will result in your loss of the privilege to attend our convention. If you have a safety or security concern, bring it to the convention's operations center immediately. In emergencies, dial 911.

If you are hosting a party where alcohol is being served, it is your responsibility as host to ensure that the age of anyone drinking alcohol is checked. You should also designate someone not to drink, so that there is a fully competent person present to deal with any emergencies that might arise.

All attendees must wear their badge at all times throughout the convention, and it must be presented to convention staff on request at any time. Selling anything of any kind at the convention is prohibited unless you are a registered exhibitor with the convention. Pets and animals are not allowed in the convention space or hotel, unless they are working animals (such as seeing eye dogs). Smoking is not allowed in our hotel. Photography and video recording of any kind are strictly prohibited during any AMV contest or show screening. These rules apply to all types of attendees, including exhibitors, press, and other congoers. We may also establish additional policies covering press, exhibitors, and others.

By attending the convention you understand that convention staff may take video footage and photographs throughout the convention which may be used in highlights, marketing endeavors, or other media. You consent to be filmed or photographed by staff, approved industry, or media during the entire convention without compensation to you. Your attendance constitutes a grant of rights to the convention to reproduce, display, distribute, perform, creative derivative works of, or otherwise use any video or pictures that it obtains and in any manner throughout the world in perpetuity, including online, for broadcast, or other transmissions.

The convention's code of conduct and other rules are subject to change at any time, and without notice, at the discretion of the convention. Violation of the rules is grounds for immediate loss of your convention badge and suspension from the convention. These rules are part of our contract with you that governs your participation in and attendance at our event.

Any form of harassment, bullying, or stalking will not be tolerated at our family-friendly event. Staff have final say in all matters at the convention, and reserve the right to remove anyone from our event for any reason.

Weapon and Large Prop Rules

All weapons and large props must be inspected and approved by our operations or security staff at the convention. We will then "peace mark" them, by affixing a ribbon or mark that indicates we have checked them, and, if necessary "peace bond" them by using ribbon or ties to keep your weapon from being drawn or used (for example, by someone who doesn't know the rules and sneaks up behind you and grabs it). Attendees must realize that it is a privilege to bring large props and weapons to the convention, and everyone must take great care to be careful not to damage things, whack people, or otherwise do anything that seems dangerous. We allow certain specific prop weapons and large prop items, but anything not listed below is not allowed. Please understand that due to crowding, space, or safety issues, we may have to change the rules mid-convention at any time.

Guns: Semi-realistic looking guns are only allowed if they have a very bright, obvious orange tip that shows they are non-working and can be obviously seen from a distance. Guns that actually work, or have the potential to work, or might be mistaken by the public as real, are not allowed. Toy or fantasy guns that are "obviously fake" are allowed.

Swords: Swords are allowed if they can be tied shut in their sheath, or if they are made of wood or plastic. Swords must never be waved around or wielded, but they can be used for still posing for photographs.

Bows: Toy, or otherwise wooden or plastic bows can sometimes be okay, but professional or compound bows are not. Equipping an arrow to a bow is absolutely never acceptable, even for photos.

Large Props: Large props are generally okay, if you are extremely mindful of them. However if we find that we have large crowds, or if they become a problem, we may ask you to return them to your hotel room or car at any time. We will not store them for you.

Pretend Weapons: Anything that is entirely obviously a play/pretend weapon that can not be mistaken for something that is actually a real weapon.

Any weapons or props may be disallowed at any time at the discretion of management. Please understand that during times of peak attendance we may be forced to start limiting prop sizes.

How can I contact convention staff?

Find us in the “Con Ops” operations office, next to the panel area (check your map). Should you need help, have an emergency, or anything else, Con Ops is a great resource. For general questions, you can ask any staff member you see.

What do I do in an emergency?

Our operations center should be your first stop if you need immediate and urgent assistance. In especially dangerous or life-threatening emergency situations, you should call 911 immediately. If you are unable to safely and quickly make it to Con Ops, please inform the nearest available staff member immediately. If you witness an emergency or need help, please go to Con Ops and ensure the situation is resolved.

Who do I talk to about special needs?

Individuals with special needs who need accommodations are encouraged to attend our programs. If you are an individual with special needs in need of an accommodation, please see us in Con Ops. For hotel related special accommodations, please see the hotel front desk staff.

Where do I submit feedback/suggestions?

Your feedback is extremely important and valuable to us, and we encourage you to share both your negative and positive experiences with us, so that we can use your feedback to make a better convention every year. We collect your email address when you register so that we can email you our feedback survey, which is why it's important that we get a good email address. The feedback from these submissions are reviewed multiple times every year, so your comments will be noticed.

Do you have tips for parents?

We encourage you to plan ahead with your children about where you might meet up if you are separated in the massive crowds. Write your phone number on the back of the child's badge if possible, and keep a description of what they are wearing. Children 13 and under must be attending the convention with a parent or guardian, and children under 7 must have a guardian with them at all times. Please read all event descriptions, as some events may not be suitable for children.

Can I host a party in my room?

Room parties are up to you, but we have several reminders. If you receive repeated noise complaints, the hotel may and will evict you from your room. If you serve alcohol to minors, the police will give you a court date. If serving drinks or showing adult material, check the government-issued IDs of every last person, and don't even let anyone underage in your room. Violations of these rules can result in removal from the convention, revocation of your convention badge, and possibly involvement of the proper authorities.

Can I join staff or volunteer?

We would love your help! Stop by our Con Operations room and inquire about volunteering. Volunteer perks range from getting food with staff to free admission for next year. Staff members must sign up in advance on our website, and we encourage you to think about it for next year if you would like to help out. It's a great experience, filled with awesome people to meet.

Please remember these attendee tips!

Eat Two Meals Each Day

We have a ConSweet filled with free pop and free rice, but you can't live off this stuff, even if you're Kirby! Getting regular meals, complete with protein, vitamin-C, and real nutrients, is important to keep your body from getting worn out. Eat at least two real meals per day. Consider ordering delivery, or getting some friends together to go out somewhere.

Sleep Each Night

You need to get at least six hours of sleep each night to fully enjoy the convention. While staying up is fun and exciting, most events end by 2am, and you won't have as much fun if you stay awake all night. Get some sleep and enjoy the next day rested!

Shower Daily

Whenever you are having a ton of fun, sometimes it can be hard to remember to stop and think about others. Please, as a courtesy to other attendees who may be standing behind you in the autograph line, shower every day!

Be Prepared

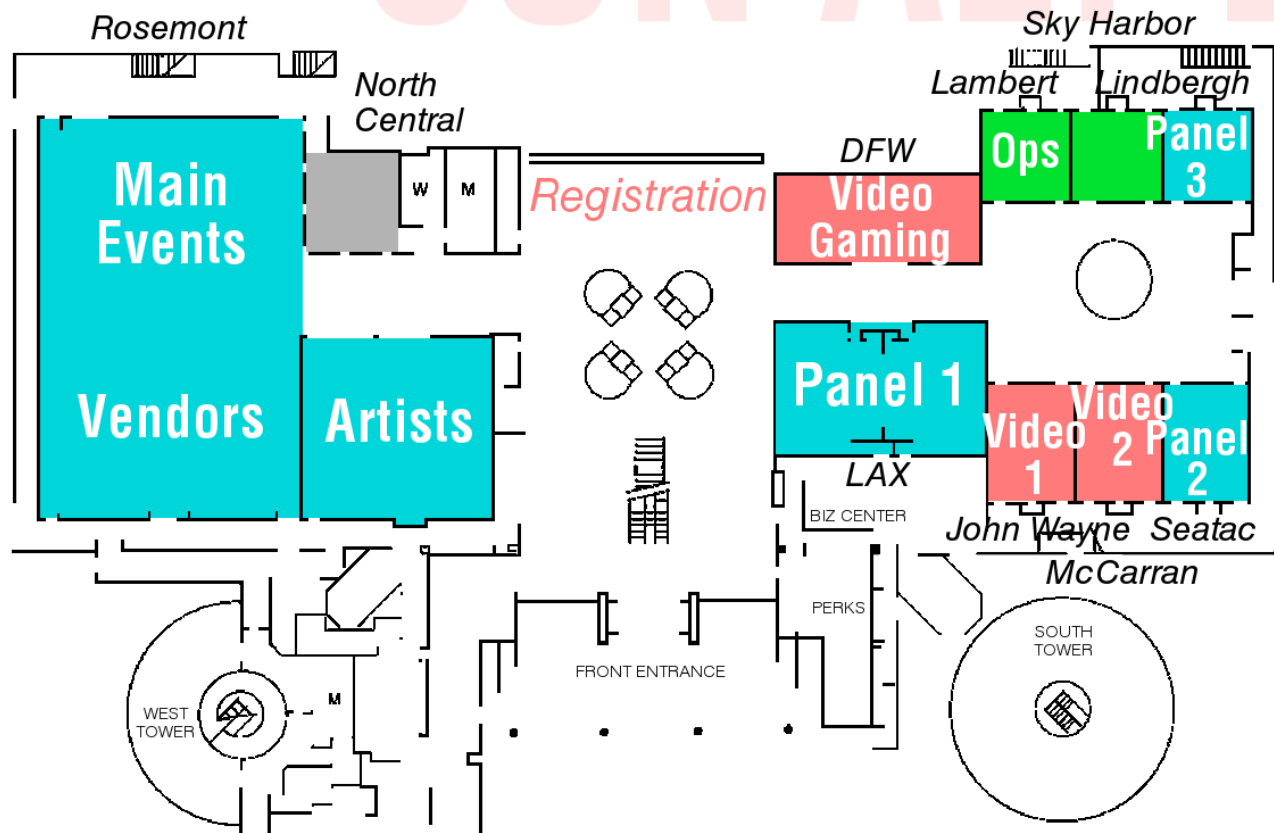

In case of a fire drill or other emergency, be sure to know the location of the nearest exits and stairwells at all times.

When not teaching at their dojo, the Kojokan, they travel across the country performing and teaching the ancient ways of the most famous warriors in history. Their shows and demonstrations uniquely blend history, combative skill, and humor, in a way that will both educate and entertain audiences both large and small. The dynamic duo also collaborated to write, direct, host, and star in a 12 episode TV series entitled "The Way of the Samurai," and Daniel is also an author with several martial arts articles published, and he is currently working on his second full-length novel.

Todd Haberkorn

Check out most of the shows listed above on Hulu.com or Funimation.com. When not in the booth, Todd is a producer with his company, Out of the Office Productions. Gabriel "Gabo" Bautista

Gabo is a COMIX GORILLA and COLORIST SHOGUN. He draws comics in a cold damp dungeon located directly under Fermilab in Batavia, IL. His comics include Charley Loves Robots, which can be seen in several issues of Elephantmen, published by Image Comics, Jesus Christ: In the name of the Gun, and Albert the Alien. He has also been part of the Harvey award nominated anthology Reading With Pictures. He is an Eisner and Harvey Award winning colorist. His color art can be seen in several issues of Will Eisner's The Spirit and All-Star Western, published by DC Comics. He is the creator of comic battling site Entervoid.com, and co-founder of independent comic publisher Pulpo Press.

Shinichi “Nabeshin” Watanabe

Shinichi Watanabe (aka “Nabeshin”) is known to anime fans as a larger-than-life, iconic figure with an outrageous sense of humor. He directed the comedy anime series Excel Saga, Nerima Daikon Brothers, and Puni Puni Poemy, which feature frenetic pacing and appearances by his animated alter ego, a mysterious, recurring character with an afro and distinctive outfit who is tangential to the story. Nabeshin has also served as series director for The Wallflower and Tenchi Muyo! GXP, and he can be found in these series as well, in cameo or supporting roles.

Nabeshin has been quoted as saying that he places great importance in making viewers laugh. Stating that he values laughter as much as tears, his preference is to motivate viewers to have fun and enjoy a show. He reasons that his success stems from provoking the same, strong emotional investment—in a humorous way—as a traditional, sentimental story does.

Nabeshin has also written lyrics for the opening songs of Excel Saga and Tenchi Muyo! GXP, and has served as storyboarder and episode director for a variety of other anime series. Nabeshin will be doing numerous panels at the con, including “Friday Night in Tokyo (18+)”, “Q&A with Nabeshin’s Afro,” and more!

Greg Ayres

Greg Ayres can usually be found rockin’ out somewhere, whether animated or not. From the loud-mouthed Hideki in Nerima Daikon Brothers, to Koyuki, singing with the the band in Beck:Mongolian Chop Squad, he’s always glad to shake things up a bit. He is thrilled to be able to add the roles of Uesugi Kenshin in Sengoku Basara, Seikechi Tayama in Oh Edo Rocket, and Abe in Big Windup to his list of new roles. He can also be head as Son Goku in Saiyuki, Chrono in Chrono Crusade, Kaoru Hitachiin in Ouran High School Host Club, Yuki in The Wallflower, Leo in Ghost Stories , Satoshi Hiwatari in DnAngel, Kaworu Nagisa in the Director’s Cut of Neon Genesis Evangelion, Negi Springfield in Negima, Heihachi in Samurai 7, Jr. in Xenosaga:The Animation, Tsujido in Speed Grapher, Roan in Ragnorok The Animation, Yamazaki in Welcome to the NHK, Nowy in Glass Fleet, Gau Ban in Shadow Skill, Pope Alessandro XVIII in Trinity Blood, and a bunch of other titles he’ll probably forget to mention. FUNimation recently announced Greg as Nagisa in Free!

When he’s not in a booth with headphones on, you can usually find him sporting headphones of another variety behind “the decks”. A veteran nightclub DJ of many years, Greg has really enjoyed the opportunity of doing something else that he truly loves at conventions. From packed rooms at anime conventions, to the legendary stage of The Knitting Factory (NYC), Greg never misses an opportunity to share his love of music with anyone who will listen.

Trevor Mueller

Trevor Mueller works at an advertising agency by day, and writes comics by night. His latest project is ALBERT THE ALIEN, appearing on Mark Waid’s THRILLBENT site. He has also self-published several other works including the all-ages stories JUNKYARD CHASE. And has contributed stories to several anthologies, including HOPE: THE HERO INITIATIVE from Ronin Studios and READING WITH PICTURES from the non-profit of the same name. He is also the writer/artist/creator of several award-winning webcomic series (www.trevoramueller.com), and regularly reviews movies, video games, and comics. Special Guests of Anime-ZAP!

DC Douglas

D.C. Douglas will forever be known as the sinister voice of Albert Wesker ("Resident Evil"), screaming "Chriiiisssss" as he melts in a lava lake. This is a far cry from his other roles, such as the persnickety alien Zepht in "Star Trek: Enterprise" or the logical Legion in the "Mass Effect" videogame series. He's been in all sorts of video games, as The Master in "Buffy," "The Vampire Slayer," AWACS in "Ace Combat 6," Archangel Michael in "Might & Magic Heroes VI," Raven in "Tekken 6" and "Street Fighter X Tekken," and Albert Wesker in "Resident Evil: Umbrella," & "Darkside Chronicles," "Mercenaries," "Capcom Versus Marvel 3" and "Resident Evil 5." He gave voice to the Geth as Legion in "Mass Effect 2 & 3." Douglas' anime credits include President Paradine in "Tales of Graces f." Alexei Dinoia in "Tales of Vesperia." Kelvin Garr in "Tales of the World," Grimoire Noir in "Nier Replicant," Gabi & Taihaku in ".hack Vol 1 & 2," Genji Kamogawa in "Hajime no ippo," and Shori Shibuya in "God, Save Our King!" Recent television appearances include "Castle," "Workaholics," "Criminal Minds," "NCIS: Los Angeles," and "2 Broke Girls." Highlight credits for fans of sci-fi, horror and fantasy include "Star Trek: Enterprise," "Charmed," "Passions," "Titanic II," and "666: The Child." Douglas can be seen in the upcoming sci-fi thriller, "Apocalypse Kiss" as the serial killer Adrian (an homage to Albert Wesker) starring alongside Troma Pictures legend, Lloyd Kaufman.

Greg "Greggo" Wicker

Greg Wicker (or "Greggo" as he's fondly known) has been producing and hosting game shows at anime conventions since 1999, when he premiered Anime Match Game at Project A-Kon in Dallas. Since then, Greggo has done anime-themed versions of several classic game shows, created a few games of his own, and even had an original project that very nearly turned into an actual television show on Anime Network. These days Greggo is concentrating on perfecting his craft and making game shows available for conventions everywhere, bringing his rapier wit and friendly personality with him wherever he goes. You can see some of Greggo's past game show efforts on his YouTube page at <http://www.youtube.com/gregdasgo> or visit his website at <http://www.facebook.com/greggosgameshows>.
